Announcement of Financial Grants for the 2024-25 Academic Year

The Knights Templar Educational Foundation - Virginia Division is pleased to announce it will award financial grants for the 2024-25 Academic Year.

This grant was established to assist rising 3rd- or 4th-year students to complete their final year(s) of undergraduate education. The Committee shall consider all applicants without regard to age, race, religion, national origin, gender, or Masonic ties or affiliation. Applicants must be a United States citizen and pursuing a four-year degree from an accredited college or university.

This grant has been made possible through the generosity of the Knights Templar of Virginia since its inception in 1933.

The areas of consideration in awarding this grant are: financial need, academic achievement, work experience, community involvement, and quality of answers to all questions in the application.

Grant recipients will be notified by mail and arrangements made for presentation of the award. A check in the amount of the grant will be forwarded to the school in which the recipient is enrolled after that educational institution has verified his/her enrollment.

The application is included in the following pages of this document. In fairness to the other applicants, and to ensure the top applicants are chosen, incomplete applications will not be considered.

We wish all the best of luck in as they apply for this financial grant and continued success with their future studies.

Sincerely,

Dennis M. Haas
Grand Commander
